ENVOIRNMENTAL MANAGEMENT STATEMENT.

Dear Sir / Madam,

We wish to advise you that CMP Services Ltd., will ensure that materials supplied or activities carried out by us, our employees or suppliers, are well controlled and managed to avoid any damaging environmental impact.

We make it a requirement that our activities be carried out in accordance with environmental law, such as Acts of the Oireachtas, permits and licences. Failure to comply with in this area may make it impossible for us to provide our services to any customer.

We also make it a requirement that us (the management), our employees and our suppliers, demonstrate good environmental awareness and a high standard of management, so as to minimise environmental risks associated with our business.

We will adopt any additional controls or provisions, not specifically required by law.

Signed: _____
